

INTERNATIONAL
COMMUNITY SCHOOL

January, 2012

Dear Business Owner,

The International Community School is an innovative, non-denominational Christian school with approximately 410 students serving pre-kindergarten through 12th grade. We are a not for profit organization dedicated to providing quality education to students in the Central Florida area.

Fundraising is an integral part of our school model and this school year we will be holding a benefit auction on March 16, 2012. The proceeds from this silent and live auction will go directly to meet the needs of educational resources for the classroom, our scholarship program, and a variety of other areas. Without the assistance and generosity of companies such as yours, this auction would not be a success.

Would you consider donating an item or gift certificate to be auctioned to the highest bidder? We are grateful for your consideration of this opportunity to partner with us in our auction. Your company would receive prominent recognition in our program and your donation is tax-deductible. Your generous gift will help International Community School continue to make a difference in our local community and around the world.

You may mail your donation to the address below, or I would be happy to arrange to pick up any item(s) you may consider donating. Thank you in advance for partnering with us in our auction this year. Please feel free to contact me with any questions you may have regarding the school, our commitment to our community, and/or the charitable nature of the auction.

Sincerely,

Liz Gritter

Fundraising Director
