

Is ICS Right for You?

- ❖ Do you believe that parent involvement is an integral part of education?
- ❖ Does our tuition fit in your family's budget?
- ❖ Is one parent able to stay home on Mondays and Wednesdays for home instruction days?
- ❖ Do you have time in your schedule to Parent Partner in the classroom (an average of 3 times per semester)?
- ❖ Would both parents be able to complete the required parenting course within the first semester? (PK-5th Grade: 18 Week Course, 6th-12th Grade: Book with Questions)
- ❖ Would your family be in agreement with our Statement of Faith and be able to sign it?
- ❖ Do you and your family attend church weekly and are you actively involved in a ministry there?
- ❖ Is your child able to learn on an advanced track, without the use of multiple learning aids?
- ❖ Does your student have a clean record, without any suspensions, expulsions, drug use, criminal charges, or violent behavior?

If you answered yes to all of the questions above,
it is possible that ICS is the school for you.
